professional

Thank you for purchasing our 2-pack of stainless steel espresso cups!

To ensure longevity and performance, please follow these care instructions:

1. Initial Use:

- Thoroughly wash the cups with warm, soapy water before first use.
- Rinse well and dry completely.

2. Daily Cleaning:

- After each use, hand wash the cups with mild detergent and warm water.
- Avoid using abrasive cleaners or scouring pads that could scratch the surface.

3. Deep Cleaning:

- For stubborn stains, fill the cup with a mixture of warm water and vinegar or baking soda. Let it sit for 15–20 minutes, then scrub gently with a soft brush.
- Rinse thoroughly and dry completely.

4. Dishwasher Use:

- The cups are dishwasher safe, but hand washing is recommended to maintain the finish.

5. Avoid Extreme Temperatures:

- Do not use the cups in the microwave, oven, or freezer.

6. **Storage:**

- Store the cups in a dry place.
- Ensure they are completely dry before stacking or storing to prevent moisture buildup.

7. **Prolonging Quality:**

- Preheat or pre-chill the cups with hot or cold water for a few minutes before use to enhance performance.
- Avoid soaking the cups for long periods, as this may affect the finish.

8. **Additional Tips:**

- Do not use the cups for carbonated beverages.
- Handle with care to prevent dents or scratches.
